

UEA Benefits Program HIGHLIGHTS

A New Benefit Program for Oregon-based Manufacturers

The UEA Benefits Program offers several advantages for managing cost and convenience: large group pricing, multiple provider networks, and an array of medical, dental, and vision plans.

The UEA Benefits Program is an exclusive benefit offering for member firms of the United Employers Association.

About United Employers Association

United Employers Association is a non-profit organization committed to employers' success since 1906.

The Association provides cost effective access and expert counsel to employers on state and federal employment law, labor relations, training and development, and other workforce solutions.
